**Letter of Agreement – Salary Schedule Correction**  
August 16, 2023

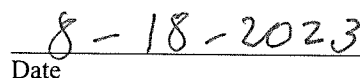

The 2023-24 SALARY SCHEDULE A chart on page 34 of the Byron Education Association contract has incorrect amounts in the MA+ column. The 2023-24 chart shows a 1% increase of the 2022-23 Salary Schedule in all columns, however the MA+ column (as stated at the bottom of the chart) should not be increased with a percentage, but instead is supposed to be \$750.00 added to the MA column. The corrected 2023-24 Salary Schedule A is shown below.

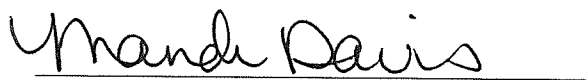

2023-24 SALARY SCHEDULE A*

13	1.051	\$66,859	\$68,195	\$74,214	\$74,964
